GLASGOW 2026

JUDO SPORT GUIDE

FINAL VERSION
Published July 2026

WELCOME

On behalf of Commonwealth Sport, I am delighted to welcome you all to the Glasgow 2026 Commonwealth Games.

You will play a vital role in ensuring these Games are a success for Glasgow, Scotland and for the wider Commonwealth Movement.

We thoroughly look forward to 10 days of thrilling competition, where nearly 3,000 of the Commonwealth's finest athletes will showcase their talent across 10 sports, including six with fully integrated Para sport disciplines. Glasgow 2026 will continue our proud tradition of inclusivity and innovation, delivering a Games that reflects the very best of Commonwealth Sport.

Glasgow 2026 will be historic in many ways. We will see a refreshed sports programme, a strong commitment to sustainability, flexibility and a celebration of equality and inclusivity across every aspect of the Games.

There will be countless inspirational moments and extraordinary stories as athletes from 74 nations and territories come together to compete and connect, embodying the spirit of humanity and equality that defines our Movement.

I would like to personally thank you for your commitment to supporting Glasgow 2026. I am confident that the people of Glasgow and Scotland will warmly welcome you and your athletes to the city, and that your delegation will experience the warm hospitality and vibrant culture that makes Glasgow so special. I have no doubt you will have a truly unforgettable experience at these Commonwealth Games.

We look forward to welcoming you to Glasgow.

Dr Donald Rukare

PRESIDENT, COMMONWEALTH SPORT

WELCOME

On behalf of the Organising Company, I would like to officially welcome you to the Glasgow 2026 Commonwealth Games.

Glasgow 2026 will be another landmark moment for both the city and the Commonwealth movement. Building on Glasgow's proud sporting legacy, these Games will feature a dynamic programme of sport and Para sport, reaffirming our commitment to inclusivity, innovation and world-class competition.

Our refreshed sport programme includes ten sports in total, with six featuring fully integrated Para sport disciplines, ensuring that the 2026 Commonwealth Games will offer something inspiring and memorable for every athlete, volunteer and spectator.

These Games are designed to put athletes at the heart of the action, creating unrivalled excitement and electrifying atmospheres; as well as providing a platform for stories that will resonate far beyond the field of play.

All of this sporting excellence will unfold across four iconic venues, in The EDF Scotstoun Stadium, the SEC Campus, Glasgow International Arena, and Tollcross International Swimming Centre. With all Games competition taking place across an eight-mile corridor of the city, I have no doubt these venues will once again provide exceptional stages for these incredible athletes to compete.

The Glasgow 2026 Commonwealth Games will be a celebration of sport, diversity and community spirit. We hope you enjoy the Games and experience the welcome that Glasgow is known for.

Here's to Glasgow and to an Altogether Brilliant Commonwealth Games!

Phil Batty OBE

CHIEF EXECUTIVE OFFICER

1.0 OVERVIEW

1.1 Charter of Good Conduct

The Charter of Good Conduct is applicable to everyone across all accreditation categories.

The Charter has been adopted to further Commonwealth Sports Vision and Mission, alongside supporting and upholding our Core Values.

The Charter has other key integrity policies annexed to it and for the Games Period the Commonwealth Sport Integrity Policies will have primacy. However, Athletes, Support Personnel and Technical Officials are also expected to abide by the rules and regulations of their IF and their CGA which may have additional requirements.

All accredited individuals will be bound by the Commonwealth Sport and Glasgow 2026 policies and procedures. It is the responsibility of all team officials and each CGA to read and understand all relevant Commonwealth Sport and Glasgow 2026 policies and procedures, communicating them effectively to their respective delegation.

The Charter of Good Conduct can be found [here](#).

1.2 Sport Overview

The Judo competition at the Glasgow 2026 Commonwealth Games will be held on 31 July to 2 August at the Scottish Event Campus (SEC) in Hall 4 (SX4). All Judo athletes and team official accommodation will be within walking distance to the competition venue.

Training will be held from 29 July to 1 August in SEC Hall 2. All CGAs accommodation will be within walking distance to the training venue.

A full list of acronyms can be found in [Appendix One](#).

1.3 Key Dates

Online Accreditation System opens	21 January 2026
Accreditation Application deadline	20 March 2026
Online Sport Entries System opens	23 April 2026
Online Sport Entries System closes	23 June 2026
Glasgow 2026 Opening Ceremony	23 July 2026

Technical Delegate Departure	03 August 2026

1.4 Competition Management

Role	Name
Sport Competition Manager	Loretta Doyle
Sport Competition Coordinator	Susan Wright
Technical Operations Manager	Katie Ribeiro dos Santos
Field of Play Manager	Joyce Heron

1.5 International Federation

The International Federation (IF) for the Judo competition is the International Judo Federation (IJF).

The Technical Delegate appointed by the International Judo Federation for Glasgow 2026 is Dr Lisa Allan.

1.6 Information Services

During Games-time a network of sport information services are operational across hotels and competition venues to support competition management, team officials and athletes. The sport specific information and services include, but are not limited to:

- Publication of draws, start lists, competition schedules and results
- Display of competition information and updates
- Schedules and confirmation of athlete, team official and athlete equipment transport
- Publication and processing of competition forms, defined on a sport-by-sport basis
- Confirmation and cancellation of athlete training, where permitted by sport
- Distribution and processing of “authorised camera” stickers
- Assistance with lost and found
- Other Games related services and information

Sport information on venue

The Sport Information Centre for Judo will be located at the Crown Plaza Hotel, near athlete accommodation and competition venue. This sport information desk will supplement the sport information services provided at the Commonwealth Sport Hotels (CSHs) and have a strong role in disseminating competition information.

Judo’s sport information desk will be located in the warm up area adjacent to the random weigh in room which will also be able to provide sport specific and Games wide information.

Further details on the venue sport information desks can be found in the competition venue and services section.

To provide the highest level of service, access to the SIDs is limited to CGA team officials (Ac and Ao).

Sport information at CSH

The Sport Information Centre (SIC) at the CGVs will provide information and support across all sports at one central desk. The SICs are located within the Commonwealth Games Association (CGA) Games Services Centres (GSC). These are in the following locations:

- **Crowne Plaza**
Castle Suite 3, Congress Road, Glasgow, G3 8QT
- **Radisson Blu**
Level 1 Foyer Area, 301 Argyle Street, Glasgow, G2 8DL
- **Glasgow Marriott**
Clyde Suite Bar, 500 Argyle Street, Glasgow, G3 8RR

In advance of their arrival at the CGVs, Team Leaders are requested to register their name and contact details through the sport pages on GlasZone. This ensures that the SIC staff and the competition management have a list of authorised team officials for each sport.

The SIC opening times and dates are as follows:

- **Crowne Plaza**
 - 20 Jul: 15:00–21:00
 - 21 Jul – 1 Aug: 07:00–22:00
 - 2 Aug: 07:00–18:00
 - 3 Aug: 10:00–18:00
 - 4 Aug: 09:00–12:00
- **Radisson Blu**
 - 20 Jul: 15:00–21:00
 - 21 Jul – 1 Aug: 07:00–22:00
 - 2 Aug: 07:00–18:00
 - 3 Aug: 10:00–18:00
 - 4 Aug: 09:00–12:00
- **Glasgow Marriott**
 - 20 Jul: 15:00–21:00
 - 21 Jul – 1 Aug: 07:00–22:00
 - 2 Aug: 07:00–18:00
 - 3 Aug: 10:00–18:00
 - 4 Aug: 09:00–12:00

1.6.1 GlasZone and the Official G2026 Website

[Glasgow 2026 Website](#)

[CGA Portal \(GlasZone\)](#)

All Team Managers will be given access to GlasZone where key information such as competition procedures, venue information and overviews will be available. The GlasZone will be the most up to date source of information and may precede the Sport Guide where last minute changes have been made.

The [GlasZone](#) and the [Glasgow 2026](#) website are the information systems which provide key Games-related information, including but not limited to, schedules, results, competition information, training information, venue information and sport specific information.

The Glasgow 2026 website includes publicly available information whilst GlasZone content is password protected and only available to individuals nominated by Commonwealth Sport, CGAs or Glasgow 2026. Available information on GlasZone will include:

- Competition venue facilities and services
- Training venue facilities and services
- Pre, during and post competition procedures for each sport
- Sport specific information including; key dates, competition format and entry and eligibility

CGA team officials and Sport Team Leaders will be registered on the GlasZone and will be required to set up an individual password the first time they log on.

The GlasZone portal will be the source of the most accurate and up to date information related to each sport and should be checked regularly.

COMPETITION VENUE INFORMATION

2.1 Competition Venue Overview

Competition Venue Name	SEC Hall 4
Venue Code	SEC / SX4
Venue Address	Exhibition Way, Glasgow G38YW
Venue Description	The Scottish Event Campus (SEC) features the SEC Centre – five interconnected exhibition and meeting spaces. Hall 4 is the largest and most versatile exhibition hall with 10,065 m² of clear span space, a ceiling height of 9metres and high bay area of 20 metres. This venue also hosted the 2014 Commonwealth Games Judo competition in Hall 3.
Other sports in venue	3x3 Basketball and 3x3 Wheelchair Basketball
Competition Spaces	Athlete staging area; Technical table; Technical official refreshment station; Medical station; two contest areas – 10m x 10m each.
Changing Facilities	Separate male and female athlete changing rooms will be available close to the warm-up area. Male and female toilets will also be available close to the changing rooms. Separate male and female Technical Official changing rooms, close to the Field of Play. Separate toilet facilities for Technical Officials. No shower facilities for athletes or Technical Officials.

Medical Facilities	Medical services will be available from the athlete medical team during all training and competition sessions. There will be medical personnel and a fully equipped ambulance available at all times. The Athlete Medical area will have a reception waiting area and examination treatment room. This will be located close to the Field of Play with a direct access point to the ambulance parking bay.
Anti-Doping Control Room	Located in Hall 4
Services	Ice will be available for athlete use. A refreshment station in the Athlete Lounge and in the Technical Officials lounge. Access to fresh drinking water for all.

2.2 Field of Play (FOP)

Description	There are two (2) competition tatami Also on the FOP: • A two-tier Technical Table • Two medical tables • Four Coach boxes • Six CARE System Camera operators • Photo positions and media positions
Size	Contest area 10m x 10m each; plus, a 4m safety area surrounding the contest area; plus, 1m of look surrounding the safety area; and a 6m safety area between tatami 1 and tatami 2;
Floor Location	The Field of Play is on the same level and adjacent to the athlete spaces and warm-up area.

2.3 Venue Evacuation and Emergency Procedures

For venues delivering competition during the Glasgow 2026 Commonwealth Games, clear and consistent approaches to emergency actions, full evacuation, partial evacuation, and invacuation are essential to ensure the safety of all persons on site. These venues will operate under their existing management structures and strategic decision making in relation to emergency movement will sit with the Safety Officer, who retains overall authority during incidents. Operational delivery on the ground will be led by venue security and stewarding teams, who will implement instructions and manage crowd movement in line with agreed procedures.

A **full evacuation** involves the complete clearance of a venue due to a significant risk that threatens the safety of all occupants, such as a major fire, structural concerns or a major security incident. In this scenario, all individuals, including athletes, officials, workforce, and spectators, are directed to leave the venue via designated evacuation routes to predetermined places of safety. For competition support clients, it is critical to recognise that while the continuation of competition is important, life safety takes absolute precedence. Security and stewarding teams will guide all occupants, prioritise accessible egress and maintain flow to avoid congestion. Those not actively involved in delivering the competition operation will be treated as members of the public and managed accordingly within general egress strategies.

A **partial evacuation** may be implemented where the risk is localised to a specific area of the venue. This allows unaffected

areas to continue operations where safe to do so, minimising disruption to competition delivery. Examples may include a contained fire, alarm activation in a back-of-house area or a security concern limited to a single stand or zone. The Safety Officer will determine the extent of the evacuation based on dynamic risk assessment and will liaise with emergency services as required. Stewarding and security personnel will establish cordons, redirect footfall, and support the safe movement of individuals away from affected areas. For competition support teams, this requires flexibility and awareness, as some operational functions may continue while others are paused or relocated. Individuals not essential to the immediate operation will be treated as public and directed accordingly.

Invacuation, which is also known as “shelter in place” or “lockdown”, is the process of moving people to safer internal areas of the venue and securing the site against an external threat, such as a hostile vehicle incident, public disorder or severe weather. Unlike evacuation, the objective is to keep people inside and away from danger. The decision to invacuate rests solely with the Safety Officer, based on intelligence and real-time information. Security and stewarding teams will direct individuals to designated refuge areas, secure entry points, and prevent further ingress or egress as appropriate. Communication is critical in these scenarios to maintain calm and ensure compliance. For competition support personnel, understanding their role in maintaining operational control while prioritising safety is key. Activities may be paused or adapted, and all non-essential personnel will be managed as members of the public within the invacuation strategy.

Across all three approaches, a consistent principle applies: those not directly involved in the delivery of competition operations will be treated as members of the public. This ensures clarity in decision making and supports a unified, safety-first response. Effective coordination between the Safety Officer, venue management, functional areas and operational staff is fundamental to delivering safe and controlled outcomes during any incident

2.4 Smoking Policy

Smoking and vaping is prohibited at all Glasgow 2026 competition and non competition training venues with the exception of a designated external area at each venue located back of house, and out of sight of the general public and spectators.

These designated areas will be without exception, the only locations on venue where smoking and vaping will be permitted.

ATHLETE BACK OF HOUSE AND PREPARATION

3.1 Warm-Up Facilities

The warm-up area is located close to the Field of Play and athlete spaces (random weigh-in rooms, Athlete lounge, Judogi control, etc.)

Three areas will be provided.

Total area: Approximately 260m² Tatami space

Live feed of both Tatami 1 and Tatami 2 and one Coach assistant touchscreen monitor

Ice coolers available and water

3.2 Judogi Control / Call Room

Located directly off the Field of Play and adjoining the athlete holding (staging area).

3.3 Athlete Preparation

- Refreshment station
- Water and ice
- TV screens showing live competition feed
- Free wireless internet
- Communal massage tables (limited number)

As the athlete preparation area is used by all CGAs, CGAs are asked to respect each other's space and needs.

3.4 Athlete Lounge

The Athlete Lounge is located adjacent to warm-up area.

A self-service refreshment station will be available in the Athlete Lounge – replenished regularly throughout competition days and will have hot and cold beverages, fruits, and cereal bars.

Meals

Athletes are expected to have all meals at their hotel however, some lunch meals will be provided in the Athletes Lounge for competing athletes and team officials who have progressed to the afternoon session. Meals will only be served upon presentation of a meal voucher, which can be collected from the Sport Information Desk adjacent to the warm-up area.

Athlete Lounge Meal Times

31 July - 1 August 2026	13:00 - 14:30
2 August 2026	12:00 - 13:30

3.5 Sport Information

The Sport Information Desk (SID) at the competition venue will be located close to the warm-up area and Coaches Room.

The SID will be able to provide information on:

- Competition draw
- Contest schedules for that day's session
- Booking training slots
- Transport
- And other key competition information

Sport Information Desk operating hours

31 July - 1 August	09:00 - 19:00
2 August	08:00 - 18:00

3.6 Changing Rooms

Separate male and female changing rooms are located close to Athlete spaces in the back of house.

3.7 Towels and Ice

Towels will be available on request from volunteers in the training venue and from the Sport Information Desk on competition days.

Ice will be available in the competition and training venue for teams.

3.8 Doping Control Station

The DCS is located at the rear of Hall 4, a short distance from the Judo FOP. Athletes from all Sports competing across the SEC will utilise this DCS.

If selected for doping control, an athlete will be chaperoned from the Field of Play to the DCS.

3.9 Lost and Found

Any lost and found items discovered within athlete designated areas on venue should be handed over to the SID. Upon receipt, the SID is responsible for recording the item in a lost and found log. This shared document is accessible to all SICs and SIDs, as well as TRVs, ensuring clear tracking, accountability and efficient coordination when returning items to their rightful owners.

Following the end of competition, all lost and found items will be handed over to the venue.

3.10 Digital Asset Management Solution (DAMS)

Glasgow 2026 will provide video assets for performance analysis through the Digital Asset Management solution (DAM). Analysts will be able to view and download content by sport at the end of each session. Where able and timely the content will be edited by event.

4.0 MEDICAL AND ANTI-DOPING

The Glasgow 2026 Medical teams provide essential, safe, appropriate healthcare for all Games Client Groups across official Games venues during the games period of 20 July – 3 August 2026.

MEDICAL KEY SPACES

Staffing

The medical team for judo will consist:

- FOP Doctor
- Athlete medical room Doctor
- Two Nurses
- One Paramedic

Additional clinical resources will be available including, where needed, an additional Doctor, paramedical staff and Physiotherapists.

Athlete Medical Facilities at Competition Venue

Services at Competition Venue include:

- To deliver urgent and emergency care to training and competing athletes
- To provide a dedicated clinical space for all clients that is suitably equipped
- To ensure coordinated response to medical emergencies in all areas where athletes and workforce are present
- To ensure coordinated response to medical emergencies in athletes and workforce
- To coordinate and undertake transportation of emergency cases in medical vehicles or ambulances to designated tertiary care facilities in Glasgow

Sport Specific Medical Requirements

- Pre-competition, the FOP and venue medical teams will undertake a practice extrication from the mats to ensure communication and emergency skills are refreshed. This must be completed at latest 60 minutes before competition starts.
- The IJF doctor will work with the FOP doctor and medical team to ensure athlete safety remains the highest priority throughout the judo competition.
- Access to the field of play is restricted to accredited medical personnel. Athletes may be accompanied by their CGA doctor. Only licensed medical doctors may examine or treat an athlete during a contest. If an athlete does not have a CGA doctor, the FOP doctor will provide medical assistance.

- Whenever possible, medical examinations and treatment should occur at the edge of the tatami. If treatment is required on the tatami, the referee must first signal for the FOP doctor to enter. Doctors should only enter the tatami when the referee gives this signal. Any doctor may request permission to enter the tatami but this will result in the athlete losing the contest and should only be done when absolutely necessary.
- The Referees may authorise other persons, including team officials, to assist the player to leave the FOP if needed. This will be coordinated and led by the most appropriate clinician on the FOP.
- Any blood on the FOP must be cleaned before competition restarts. Any bloodstained clothing should be replaced.
- In a serious medical emergency where an athlete is at immediate risk, the IJF doctor, or the FOP doctor nominated by the IJF doctor, will oversee the medical response.
- If more assistance is needed, clear hand signals will be used to call on assistance
- If ambulance or paramedical services are required, the FOP medical team lead will ensure radio communication to request this service
- Additional healthcare resources may come from a CGA where they have an additional member of staff, such as a team Physiotherapist or team Doctor

4.1 FOP Medical

There will be a FOP medical response team dedicated to the care of athletes in active contests. They will be in the designated FOP medical team space. Team medical staff will have two allocated seats for each mat alongside the FOP medical team. There will be additional medical staff who will be overseeing the training area as well as venue medical room.

Staffing

- There will be a FOP medical Doctor who will be located in the stands opposite mat 2 and the IF medical Doctor opposite mat 1. Additionally, there will be a Doctor, Nurse or Paramedic located in the designated FOP medical area.
- Each FOP team will consist of a Team Leader and an additional member.

- The FOP team are experienced pre-hospital care healthcare practitioners, who will understand sport specific FOP skills required.
- Additional medical staff and paramedic ambulance staff can be called on by the FOP team if additional support is required.
- The FOP medical team will carry suitable equipment for the management of medical and traumatic emergencies on the FOP.
- Two ambulances are available on the SEC Campus during competitions in the event of athletes requiring further emergency medical care in a hospital. Both are dedicated to athletes with additional ambulance resources as needed to backfill. Spectator ambulances are supplementary to athlete ambulance resources but located near The Hydro athlete medical room.

4.2 Warm-Up Medical

Warm-up for Judo will occur in SX4. The Glasgow 2026 medical team members will be qualified First Aiders who will provide first aid and immediate management of musculoskeletal injuries and other medical emergencies.

There will be appropriate medical equipment to manage immediate medical first aid issues. If onward care is needed, the First Aiders will coordinate that care including informing the venue medical controller.

Transport in a medical emergency will be provided by an on-site ambulance.

Services include:

- To deliver urgent and emergency care to training and competing athletes
- To ensure coordinated response to medical emergencies in all areas where athletes are present which may include raising emergency response for transportation to hospital

4.3 Athlete Medical Room

There will be a staffed and kitted out Athlete Medical Room (AMR) that will serve as an initial off-field assessment space, providing confidential space away from the FOP or training mat.

- Glasgow 2026 to provide room and basic furniture for each medical space
- Venue Medical Provider will provide examination couch or physio plinth and appropriate medical equipment to deliver clinical care
- Venue Medical Provider will provide a limited amount of medication to take out or away (known as TTO medication) with additional medication requirements facilitated via a prescription.
- Each room will be equipped with electricity points and close access to hand washing facilities if not immediately available in room

Location

The AMR is located at the back of the competition hall and has close access to the dedicated ambulance vehicles.

4.4 Training

Training for Judo will take place in SX2. The Glasgow 2026 medical team members will be qualified First Aiders who will provide first aid and immediate management of musculoskeletal injuries and other medical emergencies.

There will be appropriate medical equipment to manage immediate medical first aid issues. If onward care is needed, the First Aiders will coordinate that care including informing the venue medical controller.

Transport in a medical emergency will be provided by an on-site ambulance.

Services include:

- To deliver urgent and emergency care to training and competing athletes
- To ensure coordinated response to medical emergencies in all areas where athletes are present which may include raising emergency response for transportation to hospital

4.5 Sport Specific Medical

A specific room is available for the CGAs medical staff, to provide treatment such as strappings or massage.

The CGA team area is located close to the warm-up mats in SX4.

For this space, CGAs are responsible for supplying all medical supplies and equipment that they require at a competition venue.

4.6 Anti-Doping

Glasgow 2026 is committed to delivering a fair and ethical Games in accordance with Commonwealth Sport Anti-Doping Rules (ADR) and the World Anti-Doping Code (the Code). Glasgow 2026 is working closely with Commonwealth Sport (CS) to deliver the anti-doping programme for the Games, along with UK Anti-Doping (UKAD) as the supplier.

The Glasgow 2026 Anti-Doping programme aims to support athletes who wish to compete on a level playing field and to deter both athletes and their support staff from competing unfairly and putting the welfare of the athlete at risk. The programme will test athletes to detect those who are taking or using prohibited substances or methods.

Important aspects of the Glasgow 2026 Anti-Doping Programme are outlined below:

- An intelligence led, risk based testing programme will be implemented to focus on testing the right athlete at the right time for the right substances
- A CS/UKAD led Taskforce, with International Federation (IF) and National/Regional Anti-Doping Organisation involvement (NADO/RADO), has been operational since January 2026, focusing on education, pre-games testing and intelligence
- In accordance with Commonwealth Sport Anti-Doping Rules, the Games Period starts on 19 July 2026 and continues until 2 August 2026 and during this period, testing under CS jurisdiction may occur at any time and any place

- ‘In Competition’ testing is defined as the period commencing at 23:59 on the day before the start of a competition in which the athlete is scheduled to compete through the end of such Competition and the Sample collection process related to such Competition
- Athletes may be requested to provide a urine, blood and/or Dry Blood Spot (DBS) sample
- Athletes therapeutically using a medication which contains a prohibited substance are required to be in possession of a Therapeutic Use Exemption (TUE). If no valid International Federation or National Anti-Doping Organisation TUE has already been obtained, the athlete must apply for a TUE from Commonwealth Sport’s TUE Committee. Reference should be made to CS ADR for full details.
- All samples will be analysed by the World Anti-Doping Agency (WADA) Accredited laboratory, Laboratoire AntiDopage Français (LADF) in Paris
- All samples can be stored for up to ten years to enable retrospective analysis as detection methods are continually enhanced in future years

All athletes on a whereabouts pool (of an IF or NADO/RADO) will be required to continue providing their whereabouts throughout the Games period.

Collection Procedures

Anti-Doping, under authority of CS, can test athletes for substances and doping methods prohibited by WADA anytime and anywhere, both in-competition and out-of-competition. The selection of athletes to be tested may be targeted, random, based on the athlete’s final position in competition, or a combination of all three. In all situations, athletes should be tested at ‘No Advance Notice’ meaning the athlete shall be the first person notified that they have been selected for Doping Control.

Sample collection procedures will follow the International Standard for Testing and Investigations (ISTI) with further details provided within the Glasgow 2026 CS ADR. IFs that specify different collection procedures or processes within their sporting rules are expected to recognise definitions, rules and procedures for Glasgow 2026, in accordance with the Code and the ISTI.

Our aim is to provide an athlete centred and sport focused sample collection process that causes the least disruption to athletes’ participation, recovery and experience whilst ensuring the integrity of the sport and the Games. Athletes will be reminded of their rights and responsibilities during the Anti-Doping process at the point of notification.

Full details of our anti-doping process can be found [here](#).

4.7 Outside of Competition Medical

From the 22 July 2026 to the 4 August 2026, there will be a separate clinical facility in Glasgow city centre, located on Howard Street that will operate daily 0700 – 2300 daily. Out of hours cover will be via a dedicated staffed telephone service where clinical follow-up will depend on the clinical need presenting out of hours.

Service	Dates	Operational hours (BST)*
Nursing care	20 July – 3 August 2026	07:30 – 23:00
Sports and exercise medicine	20 July – 3 August 2026	08:30 – 17:30
Primary Care / General Practice	20 July – 4 August 2026	17:00 – 22:30
Sports physiotherapy	20 July – 3 August 2026	08:00 – 22:00
Radiology and medical imaging	21 July – 3 August 2026	09:00 – 13:00 or 13:00 – 17:00 depending on day
Sport psychology	20 July – 31 July 2026	09:00 – 13:00 or 13:00 – 17:00 depending on day
Sports podiatry	20 July – 3 August 2026	09:00 – 13:00
Sports massage therapy (service TC)	20 July – 3 August 2026	13:00 – 17:00

*Times subject to change

Pharmacy services will be provided via the Community Pharmacies that are located across the city centre. A prescription will be provided after a consultation with a Glasgow 2026 doctor. In some cases, patients can present themselves to the Community Pharmacies where the Pharmacist is skilled in many primary care issues and can dispense medication.

The cost of medicines, either via the Central Clinical Hub prescription or at a Community Pharmacy Minor Ailments scheme, **will be at the patients cost**. Glasgow 2026 will not be covering the costs of the prescription or medication dispensed. It is important for CGAs to note this different process.

Optometry services will be provided via a network of opticians located across the city centre. If an urgent clinical eye issue is noted in the consultation, the patient will be referred to the local NHS Eye Clinic for further assessment and treatment. All other eye care costs including visual aids, will have to be covered by the athlete or CGA. Glasgow 2026 will not be covering these costs.

Dental services will be accessed via the Central Clinical Hub and patients will be directed to the most appropriate General Dental Practitioner. In acute traumatic issues, it is likely that there will be a referral to the Dental Hospital or NHS Accident and Emergency departments for further assessment. In non-traumatic urgent dental cases, such as a dental infection, the GDP will be able to manage the case. Costs of urgent or emergency dental care will be covered by Glasgow 2026 for athletes and CGA delegation. All other stakeholders and non-urgent dental issues will have to be covered by the patient and will not be covered by Glasgow 2026.

Specialist Medical Care will be accessible to athletes and CGA delegates as well as other defined stakeholders following an initial assessment in the Central Clinical Hub. This will include access to further medical imaging, such as MRI scans, Orthopaedic opinions and a wide range of medical specialists at the private hospital in Glasgow.

Games clients who don't qualify for Glasgow 2026 extended care will be safely signposted to the appropriate healthcare facility which may include the NHS primary and secondary care services across Glasgow.

Emergency Medical Care, where a patient sustains a medical emergency, an injury or illness that requires in-patient assessment and further care, a coordinated referral will be made to the NHS Acute Hospitals network in Glasgow depending on the clinical presentation. This is a service that will be available 24 hours a day and coordinated by the clinicians in the Central Clinical Hub, Venue Medical Manager or Out-of-Hours medical service.

Athlete Medical Services at Training Venues

Training venue Glasgow 2026 Medical team members will be qualified First Aiders who will provide first aid and immediate management of musculoskeletal injuries and other medical emergencies.

There will be appropriate medical equipment to manage immediate medical first aid issues. If onward care is needed, the First Aiders will coordinate that care including informing the central medical operational team.

Transport in a medical emergency will be provided by ambulance via Scottish Ambulance Service using 999.

Services at Training Venue include:

- The delivery of urgent and emergency care to training and competing athletes
- Ensuring coordinated response to medical emergencies in all areas where athletes are present which may include raising emergency response for transportation to hospital, via Scottish Ambulance Service using 999

5.0 **ATHLETE TRANSPORT**

Transportation: No transport is required as CGAs accommodation is within walking distance of the competition and training venues.

5.1 Athlete transport: Competition

All CGAs accommodation will be within walking distance of the competition venue.

Athletes and teams should come prepared with waterproof solutions in case of rain. For example, umbrellas and water repellent sports bags.

5.2 Athlete Transport: Training

All CGAs accommodation will be within walking distance to the training venue.

Athletes and teams should come prepared with waterproof solutions in case of rain. For example, umbrellas and water repellent sports bags.

5.3 Inter Venue Transport

There are no plans for a dedicated inter venue shuttle to be provided for athletes and team officials. Athletes and team officials are welcome to use the inter venue shuttle that facilitates all accredited client groups, such as Media, Workforce, Volunteers and Games Family.

This shuttle service will serve venues on competition days only. This service will not stop in the city centre.

This service will operate on an hourly basis, with one bus starting in the east at TSC – CAV – SXC - SSC. The west bus route will be SSC - SXC - CAV - TSC.

The exact schedule will be confirmed prior to the Games.

COMPETITION INFORMATION

6.1 Competition Schedule

The detailed competition schedule for Judo can be found in [Appendix 2](#).

6.2 Technical Officials

Glasgow 2026 will have the following Technical Officials:

Technical Delegate (TD)	1
International Technical Officials (ITOs)	25
National Technical Officials (NTOs)	22

A full list of Technical Officials can be found in [Appendix Five](#).

6.3 Medal Events

Glasgow 2026 will host the sport of Judo with a total of 14 medal events with seven men's events and seven women's events.

A full list of medal events can be found in [Appendix 3](#).

6.4 Competition Rules

The Judo competition at Glasgow 2026 is delivered in accordance with the current IJF [Rules](#).

Medal allocation for categories with five or fewer athletes will be conducted in accordance with the Commonwealth Sport Medal Allocation Policy.

6.5 Competition Progression

The Glasgow 2026 Judo competition will operate an elimination system with repechage starting at the Quarter-Final stage (last eight). The competitors defeated in the Quarter-Finals will compete in one of two repechage contests. The winners of each of these two repechage contests will compete in bronze medal contests against the loser of the Semi-Final from the opposite side of the draw.

6.5.1 Draw

The draw is conducted by a computerised system with the top eight players seeded. The seeding system will be based on the IJF Senior World Ranking List as of: 27 July 2026.

6.5.2 Competition progression for low entry numbers

In the event of 6 or more and five or fewer competitors in a weight category, the following competition systems will be used:

No. of athletes	Competition System
6 or more	An elimination system with repechage starting at the quarter-final. An elimination system will be used to produce two finalists, who will compete for the gold medal. The competitors defeated in the quarter-final will compete in two repechage contests. The winners of each of these two repechage contests will each compete in a Bronze medal contest against the loser of the semi-final contests of the respective opposite table. The winners (2) of those contests are placed third; the losers (2) are placed fifth; the losers (2) of repechage contests are placed seventh. Medals awarded: gold, silver and two bronze.
5	The athletes will be divided as follows: Pool A: 3 athletes will compete in a round robin system to classify them. The winner will go to the final, the second will compete against the loser from pool B in the one bronze medal contest. Pool B: 2 athletes will compete for a place in the final. Medals awarded: gold, silver and one bronze.
4	Two semi-finals take place, the winners progress to the Final contest and compete for Gold and Silver. The losers of the semi-finals will compete against each other to determine third and fourth place. Medals awarded: gold and silver.

No. of athletes	Competition System
3	A round robin system will be held in the elimination round. The best and the second best will compete in a final for the gold medal and the rank of second. The third athlete will be ranked third. Medal awarded: gold .
2	One final contest will be held. Medal awarded: gold .
1	No competition.

6.5.3 Weigh-In

As a weight category defined sport, all athletes must attend a weigh-in and meet the requirements of the category in which they have been entered. The weigh-in at Glasgow 2026 will conform to section 6 of the [IJF SOR](#).

Location: The official weigh-in will take place in Dochart, located on Level One of the SEC Centre.

Day	Time
30 July	Unofficial Weigh-in: 15:20 – 15:50 Official Weigh-in: 16:00 – 16:30
31 July	Unofficial Weigh-in: 15:20 – 15:50 Official Weigh-in: 16:00 – 16:30
01 August	Unofficial Weigh-in: 15:20 – 15:50 Official Weigh-in: 16:00 – 16:30

6.5.4 Random Weigh-In

Random weight checks for athletes are the responsibility of the IJF Education and Coaching Commission.

The random weigh-in will open one hour before the start of the competition each day. The time limit to arrive at the random weigh-in is 30 minutes or six contests before the athlete's first contest.

The athletes must bring their accreditation for identification. The weight of the athlete cannot be more than 5 % higher than the official maximum weight limit of the category (refer to section 6 of the [IJF SOR](#): Weight Categories for the Random Weigh-in with Tolerances).

6.6 Entry and Eligibility

Policies on sport entries can be found on the Glaszone [here](#).

Non-Para Sport

The following sport-specific entry regulations have been determined for Judo and are applicable to the Games:

- CGAs are permitted up to two athletes per weight category
- A maximum of 14 athletes (seven male, seven female) entries across all Judo weight categories are permitted per CGA as per their Open Allocation quota

6.6.1 Eligibility

It is the responsibility of Commonwealth Games Associations (CGAs) to ensure that their competitors are fully aware of and comply with [Commonwealth Sport Eligibility Byelaw 16](#). For sport specific eligibility requirements, please refer to the Sport Entries Guide.

All athletes competing in Judo must comply with the following eligibility conditions:

- Not currently under disqualification or suspension by Commonwealth Sport, or their respective Affiliated CGA or IJF or under the World Anti-Doping Code
- Have complied with all applicable rules and regulations of the Commonwealth Sport, IJF and the World Anti-Doping Code, as it may be modified and applied by the Federation to ensure that the overriding principles of the Commonwealth Games are observed. In the event of any inconsistency, Commonwealth Sport rules and regulations will prevail.
- Have met the Commonwealth Sport's eligibility standards in accordance with the Commonwealth Sport Constitution
- Have complied with the age regulations as stipulated by the IJF: minimum of 15 years of age on or before 31 December 2026. Born on or prior to 31 December 2011.
- Athletes must be registered with their IJF affiliated national federation and hold a valid IJF ID card.

6.6.2 Entry

Final entries will close on 23 June 2026, 23:59. Submissions must be made through the Online Sport Entries System and no entries will be accepted after this time in accordance with the Commonwealth [Sport Late Entries Policy](#).

6.7 Late Athlete Replacement

In accordance with the Commonwealth Sport Late Athlete Replacement (LAR) Policy, following the Entry by Name deadline, Commonwealth Sport in consultation with the relevant International Federation (IF) and Commonwealth Sport Anti-Doping and Medical Commission (when deemed appropriate by the Commonwealth Sport), may approve a permanent replacement of an athlete by another eligible athlete only in the same sport and discipline and event(s) where there are extenuating/extraordinary circumstances (e.g., medical circumstances, Anti-Doping rule violations and appeals) that may prevent the participation of an athlete in Glasgow 2026.

The policy is applied following the close of the Sport Entries (Entry by Name) deadline up until two (2) hours prior to the start time of the respective sport technical meeting (discipline specific where relevant) as published in the final version of the Glasgow 2026 Sport Guide.

All accredited individuals will be bound by the Commonwealth Sport and Glasgow 2026 policies and procedures. It is the responsibility of all team officials and each CGA to read and understand all relevant Commonwealth Sport and Glasgow 2026 policies and procedures, communicating them effectively to their respective delegation.

The Late Athlete Replacement policy can be found [here](#).

6.8 Award of Medals

Medals for Judo will be awarded in line with the Commonwealth Sport Medal Allocation Policy.

The prize medals of the Commonwealth Games will be awarded on the following scale for individual and team events, (including Pilots, Guides and Directors in line with the technical rules of the respective Sport):

- Five or more contestants: Gold, Silver and Bronze.
- Four contestants: Gold and Silver only.
- Three or two contestants: Gold only.
- For Judo providing there are more six or more competitors in the weight category, two Bronze medals will be awarded to the winners of the Repechage finals.
- For Boxing both losing semi-finalists shall be awarded Bronze medals.

All accredited individuals will be bound by the Commonwealth Sport and Glasgow 2026 policies and procedures. It is the responsibility of all team officials and each CGA to read and understand all relevant Commonwealth Sport and Glasgow 2026 policies and procedures, communicating them effectively to their respective delegation.

The full policy can be found [here](#).

6.9 Clothing and Equipment

6.9.1 Commonwealth Sport Rules and Regulations

All team and competition clothing and personal equipment must comply with Commonwealth Sport regulations Policy on Branding on Competition Clothing and Equipment and current IF rules. The full Commonwealth Sport policy can be found [here](#).

Team Leaders are asked to familiarise themselves with the above policy and the Commonwealth Branding on Competition Clothing and Personal Equipment Guidelines. The guidelines can be found [here](#).

6.9.2 Judoji and Backpatch: Rules and Procedures

6.9.2.1 Judoji Rules

Athletes participating in IJF official events should comply with the IJF judogi regulations.

National federations of the competing athletes are responsible for ensuring that the athletes are wearing approved IJF judogi that complies with the IJF judogi rules (see [IJF SOR](#), Appendix C). In the spirit of fair play, if an athlete does not have his judogi due to it being lost or stolen, on production of an airline (or train) lost baggage claim or a police report, reserve judogi will be given and the coach permitted to sit in the chair. The list of IJF approved judogi suppliers is available here: [Official Supplier List / IJF.org](#)

The judogi consists of a jacket and a pair of trousers and must be worn with a belt. The brand of both the jacket and trousers must be the same. Reversible judogi (white one side and blue

on the other) are not allowed. The jacket must be worn with the left side crossed over the right. The belt can be of a different brand that is approved by the IJF. An athlete is not allowed to compete wearing a red and white belt. If the athlete wears a belt of a colour other than black, it must be made of a flexible material and is exempt from having the official IJF label.

Female athletes shall and male athletes may wear a short-sleeved white T-shirt, with a round neck (see SOR page 112 [C1.11 T-shirt](#)). Any manufacturers design on the inside of the jacket or trousers should not be visible at any time during the contest. If it is a deliberate act, the athlete will be disqualified.

6.9.2.2 Backpatches

Throughout the Glasgow 2026 Judo competition, it will be necessary for all Judo athletes to display specifically designed backpatches on their judogi.

These backpatches will be provided and attached to athletes' judogi by the Glasgow 2026 Athlete Sewing team. To have their Glasgow 2026 backpatches attached, athletes must follow the procedures outlined:

After ensuring their judogi comply with both the IJF Judoji Rules and the Commonwealth Sport Branding on Competition Clothing and Personal Equipment Guidelines, athletes should present both their white and blue judogi (jackets only) for inspection by a sewing team member in the Lomond Auditorium at the SEC, where the Pre Judoji control will be taking place at the same time on 29 July 2026 between 11:00 - 12:45.

Athletes should attend the pre Judogi control following the schedule below:

Time	11:00-11:15	11:15-11:30	11:30-11:45	11:45-12:00	12:00-12:15	12:15-12:30	12:30-12:45
Weight Category	-48kg and -60kg	-52kg and -66kg	-57kg and -73kg	-63kg and -81kg	-70kg and -90kg	-78kg and -100kg	+78kg and +100kg

Upon presentation to the sewing team, all judogi must:

- Be labelled clearly (Judo tape stuck to the inside of the jacket and marked in pen) indicating:
 - CGA (country code)
 - Full name
 - Weight category
- Be clean and dry: free from blood and sweat etc.
- Be free from any other existing backpatches

Should any judogi fail to comply with the above specifications, backpatches will not be supplied and the judogi will be returned to the athlete. Only once all the above criteria are met, will the judogi be accepted, backpatches added and all items bagged ready for sewing. At this time, athletes will be required to supply contact details, they will be given an estimated time for collection, and the sewing team will provide a receipt that must be shown when returning to collect judogi.

6.9.2.3 Backpatch Sewing

Backpatch sewing room – SX4 – All judogi to be collected from the sewing team here.

- 29 to 31 July - Operational between 08:00 - 20:00
- 1 August - Operational between 08:00 - 12:00
- Any judogi not collected before the move will be transferred to the call room sewing station

Call room sewing station – Sx4 Call room – This is for last minute / emergency sewing needs in the case backpatch stitches have come undone.

- 31 July to 2 August - Operational between 09:00 - 19:00

6.9.2.4 Judogi Laundry Serviced Laundry Period

For Judo, the service will be offered on the following dates:

- Training: 29 July - 1 August 2026
- Competition: 31 July - 2 August 2026

Logistics and Timings

The competition wear will be collected from the designated Team Laundry Room located on the ground floor of the Crowne Plaza, next to reception, Glasgow (Zone 1 SEC) at 09:00 from the first day of service, taken off site by the nominated commercial laundry supplier, washed and dried as per the washing requirements and returned to the same location 24 hours later for collection.

It will be the responsibility of the Judo Team Manager from each CGA to both drop off and collect the laundry from the designated laundry point.

A member of the Team Services workforce will log the sport and CGA of the laundry bags that have been dropped off and collected.

The hotel management at Crowne Plaza will be advised of the timings and dates of this serviced laundry operation so that they can facilitate parking and access as fully as possible.

Serviced Laundry Provision

Judo suits consist of two pieces (trousers and jacket) and are to be washed, tumbled, dried and folded.

Washing Instructions

Non-bio laundry detergents are to be used for all sports for sensitive skin.

No products containing bleach or fabric conditioner are to be used.

Coloured and white clothing will be placed into different large laundry bags and are to be washed separately.

All items are to be washed at 30 degrees.

All items of clothing are not required to be ironed.

Only judo suits from the same team can be placed in the washing machine and tumble dryer at the same time to prevent loss and maintain clear segregation of items.

Laundry Bagging and Collection Process

Competition Wear

Athletes will be responsible for writing their name and CGA on the inside label of each judo suit in waterproof ink or attaching

a waterproof name tag that can be provided, if required, by the commercial laundry supplier.

The judo suits will be **washed, tumbled, dried and folded**.

The Team Manager will be provided with two large laundry bags as shown below which can be collected from the Games Service Centre at Crowne Plaza. They will then be required to collect all Judogi for their Judo team and place them in large team kit bags, separating the blue and white suits into different bags.

A label and tag will be provided so that the name of the CGA can be written on and attached to each large team laundry bag.

Laundry Services for Personal Items or Competition Wear

If any accredited personnel would like to wash personal, non-competition, garments of clothing or if any CGAs for the above sports prefer to wash their competition wear themselves, paid for by the CGA, local laundrette services are available at the following locations:

Laundrette	Zone	Address	Types of Service Available
Majestic Laundry	Zone 1	1110 Argyle Street, Glasgow, G3 8TD	Self-serve laundry, service wash, dry cleaning, and commercial laundry. Free collection and delivery service and jumbo machines for towels or team kits.
Riggs Dry Cleaning and Laundry	Zone 1 and 2	85 Candleriggs, Glasgow, G1 1LF Argyle Street, Glasgow	Full commercial laundry service including bedding, towels and uniforms/ sportswear. Free collection and delivery
The Laundry Room	Zone 2	593 Duke Street, Glasgow, G31 1PY	Full serviced laundry including collection and delivery
The Art Laundrette	Zone 3	39 Dalhousie Street, Glasgow, G3 6PW	Full serviced laundry including collection and delivery
Park Road Laundrette	Zone 3	14 Park Road, Glasgow, G4 9JG	Free collection and delivery, serviced or self-laundry

*For Judo, the closest laundrettes would be Majestic Laundry and Riggs Dry Cleaning and Laundry as they are the closest to SEC Zone 1.

Criteria

Please note that this serviced laundry service will only include competition wear so does not include training gear such as tracksuits, hooded tops, outerwear or personal clothing items.

The service provided by the commercial laundry supplier is based on the specific information about the competition wear worn by each athlete (jacket and trousers). It is therefore critical that the above is adhered to so that the operation can be delivered fully and within the timescales given.

Any additional charges for surplus garments will be passed on to the CGAs to cover at the rate quoted by the commercial supplier.

6.9.3 Replacement of Clothing and Equipment

In the event of an athlete failing pre-Judogi control, there will be the possibility for a CGA to purchase a Judogi prior to their competition.

6.9.3.1 Reserve Judogi Supply

Glasgow 2026 will supply reserve belts, blue and white judogi of different sizes. Judogi will be available in the “call room” so that any change requirement could be met as quickly as possible.

The reserve judogi are provided only in the following cases:

- Torn judogi during a contest
- Bloodstains or any other apparent stains during a contest
- Irregular size
- Irregular or missing back number
- Inappropriate advertising

- Inappropriate emblem
- Unofficial brand
- Jacket and trousers not the same brand
- Inappropriate colour
- Worn out judogi
- When the name on the backpatch is different from the one on the accreditation
- Wet judogi
- Lost or stolen judogi (airline/train baggage claim or police report needs to be provided)
- Judogi is made non-compliant for use during the competition after IJF Referee Supervisor(s) decision

If an athlete is seen, before his contest, pouring water onto his judogi he will wear a reserve judogi and cannot have a coach in the chair for that contest.

The athlete must leave his accreditation card and the part(s) of their judogi that do not comply with the rules with the organisers in exchange for the reserve judogi. The reserve judogi must be returned immediately after the contest it was used for. If an athlete refuses to comply with the rules, he/she will be excluded from the competition.

Note: It is the responsibility of the athlete to comply with the IJF Rules. Glasgow 2026 cannot be blamed if an athlete cannot find a judogi of a suitable size.

6.9.4 Coaches' Dress Code

Coaches must respect the following dress code:

- Draw: formal suit (jacket, trousers, shirt, and tie for men; jacket, trousers/skirt/dress, blouse for women) and formal shoes (no sport shoes or flip-flops).
- Preliminary rounds: national tracksuit with trousers reaching down to shoes. Coaches can wear national official short-sleeved or long-sleeved T-shirts and sport shoes (no flip-flops). The following are forbidden at any time: shorter trousers, undressed upper body, any kind of head cap or head covering (a head scarf is acceptable), jeans, sweaters or similar unrelated sports clothing.
- For the final block program (TV time): formal suit (jacket, trousers, shirt, and tie for men; jacket, trousers/skirt/dress, blouse for women) and formal shoes (no sport shoes or flip-flops).

COMPETITION PROCEDURES

7.1 Pre Competition

7.1.1 Venue Familiarisation

Due to 3x3 Basketball and 3x3 Wheelchair Basketball competition taking place in hall 4 before Judo, the familiarisation may not take place for Judo or will be limited to certain spaces due to transition and rehearsals.

7.1.2 Meetings

7.1.2.1 Technical Meeting and Draw

The Glasgow 2026 Judo Technical Meeting and Draw will take place in person. A maximum of two team officials from each CGA can attend the draw. The dress code for the draw is business attire e.g. jacket suit with tie.

- Date: 29 July 2026
- Time: 14:00 - 15:00
- Location: Lomond Auditorium, SEC
- Transport: No transport required

CGAs are required to register so leave plenty of time to arrive promptly.

7.2 During Competition

7.2.1 Warm-Up

Athletes can arrive 90 minutes before competition starts for pre-competition warm-up with training partners.

The warm-up area is only available for participating athletes of that day and their training partners.

For non-competing athletes and training partners, the training venue in Hall 2, across from Hall 4, will be available throughout competition time.

7.2.2 Call to Competition

Athletes will be called from the warm-up area to the Field of Play (FOP) by the Athlete Services team in the back of house (BOH) area. Monitors will display live coverage of the contests from both tatami 1 and tatami 2. Another monitor will display the contest running order for both tatami, providing assistance to all team officials, coaches and competitors in their preparation.

During the preliminaries, for the first contest, athletes and their coaches must arrive together at judogi control 15 minutes before the contest. For the following contests, athletes and their coaches must arrive together at least three (3) contests before their own (not counting the contest in progress).

During the final block, for the first contest, athletes and their coaches must arrive together 10 minutes before the contest. For the following contests, athletes and their coaches must arrive together at least two (2) contests before their own (not counting the contest in progress).

If the coach arrives late, he will not be allowed to accompany his athlete. However, if the coach is not present for a valid reason (such as coaching another athlete at the same time) they will be allowed to join the athlete later. Athletes must arrive at judogi control wearing their judogi exactly as it should be to enter the tatami. Footwear is permitted at this point.

Athletes must present their Accreditation Pass on each occasion they are called to competition.

For the next rounds athletes must pass judogi control and be on time for their contests. If they do not arrive on time, the 30 second rule will be applied (complying with IJF Refereeing Rules). Athletes arriving during the 30 second countdown will not be allowed to have their coach accompany them onto FOP.

If any athlete cannot continue in the competition, the necessary ITO must be informed immediately. The Medical ITO will verify the withdrawal if it is due to medical reasons.

7.2.2.1 Judogi Control

All athletes are obliged to submit themselves to judogi control before every contest. This will take place in the call room, close to the FOP.

Before conducting any control, a National Technical Official (NTO) must ask the athletes if they are ready to be checked.

If the athlete refuses to comply with the rules, they will be excluded from the competition.

All elements of the judogi control process are detailed in the IJF Judogi Rules, (see [IJF SOR](#), Appendix C).

7.2.2.2 Code of Conduct for Coaches

All CGA coaches at Glasgow 2026 must respect the Code of Ethics, statutes, and regulations as stipulated in the [IJF SOR](#).

7.2.3 Accredited Seating (Athletes and Team Officials)

Location of these seats are in Stand A

Athletes and team officials may spectate their own sport. A designated seating area with limited capacity will be

available in every competition venue, with seats allocated on a first come, first served basis. Access will be granted upon presentation of a valid Glasgow 2026 Accreditation Pass with the appropriate sport code and access privileges.

Where seating is not available on the FOP, a live feed will be provided in the Athletes Lounge.

7.2.4 Video Recording

CGAs are given no video recording positions near the FOP. Additionally, no filming can be done in the training or warm-up spaces.

7.3 Post Competition

7.3.1 Leaving the FOP

The FOP exit is located between stand A and B. Athletes should collect their personal belongings from the basket carriers.

7.3.2 Mixed Zone

The mixed zone is the opportunity for accredited broadcasters and media to interview the athletes, post-competition. All athletes should pass through the mixed zone after competition and should be brought to the mixed zone as soon as possible after the completion of their competition. Athletes are encouraged but are not obliged to talk to the broadcasters and media in the mixed zone.

The mixed zone is split into two sections: broadcast and written media, with the broadcast section having priority over the written media section. There are two separate pathways, one for broadcast and media and one for the athletes, normally separated by a barrier.

All accredited rights holding broadcasters who have been issued with a supplementary access device can access the broadcast section of the mixed zone.

All accredited media can access the media mixed zone with their accreditation in the E, EP and ENR categories.

If an athlete is required to attend a medal ceremony prior to completing the mixed zone, the Media Operations team will ensure the athlete meets the medal chaperones at the pre-agreed location at the pre-agreed handover time.

After the medal ceremony, any athletes who need to return to the mixed zone will be met by a member of the Media Operations team at a location pre-agreed with Sport Presentation. Medal chaperones will escort the athletes from the medal ceremony to this pre-agreed location and Media Operations will then escort the athletes back to the mixed zone, to the position where they left.

CGA press attachés are allowed and encouraged to escort their athletes through the media mixed zone. An armband will be issued to the CGA press attaché for this purpose.

I-zone

The I-zone is a dedicated interview area offering an additional opportunity for media to conduct interviews in front of a branded backdrop. This provides an extended opportunity for a more in-depth interview.

There is at least one I-zone at each competition venue, located close to the media mixed zone.

The I-zone is a bookable space, managed by the Venue Media Manager at each competition venue and is open to all media including rights holding broadcasters and CGA press attachés.

7.3.3 Medal Ceremonies

7.3.3.1 Medal Ceremony Procedure

To ensure that medal ceremonies commence on time, Sport Volunteers will bring the athletes to the Medal Ceremony Marshalling Area 10 minutes prior to the start of their ceremony.

The Medal Ceremonies Producer will brief the athletes on the medal ceremony processes and ensure all checks are completed before each ceremony starts.

Medal ceremony volunteers will chaperone the medallists from start to finish.

Following the presentation of medals and gifts, the national anthem of the gold medallist(s) will be played and the flags of each medallist's nation raised.

For some sports there will be post-presentation photos on the FOP as part of a lap of honour before the medallists are taken to the mixed zone. The athletes will be chaperoned by volunteers at all times.

*Please refer to GlasZone for further updates on the collection of medal boxes.

7.3.3.2 Dress and Conduct

Athletes who take part in a medal ceremony must adhere to the regulations governing both dress and conduct and uphold the Athlete Advocacy Guiding Principles as outlined in the Charter of Good Conduct.

Medallists must wear their official CGA team tracksuit and appropriate footwear, except athletes from Judo who remain in their competition clothing.

Medallists in Judo must attend the medal ceremony barefoot, without any hat, cap or any similar head covering and wearing their IJF approved white Judogi that conforms to the Commonwealth Sport Branding on Competition Clothing and Personal Equipment Guidelines and the IJF Judogi Rules. If it is not clean, then they must wear reserve judogi.

It is the responsibility of each athlete or their coach to ensure that the medallist has their full tracksuit with them and that it is ready to wear at the venue in time for the commencement of the medal ceremony. Failure to adhere to this may result in the delay or postponement of the medal ceremony and will be noted as a breach of CS regulations.

The wearing of sunglasses and headwear is not permitted. However, by exception, the wearing of headwear for religious purposes is permitted.

Flags, mobile phones, cameras, electronic devices, bottles, items of sport equipment, political statements and accreditations are not allowed on the podium. If any medallist is in possession of any of these items, the items must be passed to the medal ceremonies team for the duration of the medal ceremony. Similarly, if any items are thrown to a medallist while they are on the FOP or the podium, the medallist must pass the item or items to the Medal Ceremony Athlete Escorts to hold during the medal ceremony. Failure to comply with the rules may result in disqualification by CS.

Any demonstration with religious, political, personal, or commercial connotation is also prohibited. Failure to comply with these rules may result in disqualification by the Commonwealth Sport.

7.3.4 Results Distribution

All official results will be made available via the Commonwealth Games website, both in HTML format for online viewing and as downloadable PDF documents.

Users will be able to access the results through the dedicated “Results” section of the website. From there, navigation is structured via the schedule interface, allowing users to select specific dates, sports and sessions. Each entry within the schedule provides direct access to a comprehensive reports overview, where detailed results of documents, rankings and competition summaries are available.

All relevant PDF files such as start lists, result lists, and official reports can be easily downloaded for offline use and further analysis.

The direct link to the platform will be shared at a later stage once the system is fully available.

TRAINING INFORMATION

8.1 Training Venue Overview

Training will be held from 29 July to 01 August 2026 at SEC Hall 2.

8.2 Training Venue

Training Venue Name	SEC Hall 2
Venue Code	SX2
Venue Address	Exhibition Way, Glasgow G38YW
Other sports in venue	Boxing, Weightlifting, Para Powerlifting, Bowls and Para Bowls
Competition Spaces	Four 8mx8m contest areas with overall dimensions of 24mx24m (to be confirmed)
Changing Facilities	Changing room with toilets for men and women
Medical Facilities	Medical station
Services	Weigh-in scales, refreshment station, ice, strength and conditioning area

8.2.1 Training Venue Access

A valid accreditation pass featuring the applicable sport code must be shown for an athlete or team official to access the training venue. Access will not be given to athletes or team officials who have not completed the Delegate Registration process.

All training venues are smoke-free

8.3 Allocation of Training

Morning sessions (08:00 – 13:00): Booking required in advance of sessions for the 29 and 30 July to avoid overcrowding at peak times. The training booking system will be released on 6 July to all CGA's and should be returned no later than 12 July.

The Glasgow 2026 Judo competition management team will monitor the CGAs time slots daily to ensure fair and equitable access to training.

Afternoon sessions (14:00 - 20:00): Open training sessions that will not require booking. CGAs should observe a fair usage approach; this will also be monitored by the Glasgow 2026 Judo competition management team.

All sessions on 31 July (08:00 – 18:00) and 1 August, last training session, (08:00 – 14:00) will be open training sessions – no booking required.

All athletes not competing on 31 July and 1 August will be expected to use the training venue mats. Warm-up mats are designated for competing Athletes only, on their day of competition.

Training venue - Hall 2 (SX2): This will consist of 4 training areas, 8mx8m with no option of being screened to provide a private training environment.

The training schedule can be found in [Appendix Four](#).

8.4 Sport Specific Information

8.4.1 Cleaning Requirements for JUD

Every 90 minutes (or whenever possible between sessions) the judo volunteers will tidy up and wipe down the mats and surrounding areas between training slots. A deep clean will take place between the morning and afternoon sessions.

8.4.2 Saunas

Glasgow 2026 will provide male and female saunas which will be shared with Weightlifting.

Location: Dochart Suite, level one of SEC

Booking system: Subject to availability, use on a first come first served basis.

Phase	Venue	Dates	Times
Pre-competition	Dochart Suite (level one of SEC)	28 July 2026	17:00-20:00
		29 July 2026	08:00-13:00 14:00-20:00
		30 July 2026	08:00-13:00 14:00-20:00
During competition	Dochart Suite (level one of SEC)	31 July 2026	08:00-13:00 14:00-18:00
		01 August 2026	08:00-14:00
		02 August 2026	Sauna closed

8.5 Schedule of Training Session

Phase	Venue	Dates	Times
Pre-competition	SX2	29 July 2026	08:00-13:00 14:00-20:00
		30 July 2026	08:00-13:00 14:00-20:00
During competition	SX2	31 July 2026	08:00-13:00 14:00-18:00
		01 August 2026	08:00-14:00
		02 August 2026	Training closed

8.6 Media Access to Training

Access for media to athlete training at competition venues and independent training venues is based on several general and sport specific principles recognising that at times athletes will exercise their right to train in private.

In general, sessions are open unless they are closed by a CGA or a relevant IF regulation. Once competition begins, there may be further changes to access. Training sessions during competition that are held in warm up areas will be closed to the media.

Media refers to any accredited member of the Press and Broadcast category.

- For pre-booked training sessions where multiple CGAs train together in the same space, if one CGA wishes to close a session then the whole session will be closed to media.
- For sessions which are not pre-booked and multiple CGAs train together, it may not be possible for individual CGAs to close the whole session. In these situations, training will always be open to the media or training will be open in one venue and closed in another (allowing CGAs requesting closed sessions to train in a venue where media cannot attend).
- Where the venue cannot accommodate a secure entry/exit point and a segregated area to separate athletes from media, all training sessions will be closed at that venue.
- Photographers working in competition venues during athlete training will need to display their Games accreditation and will also be asked to check in with the Venue Photo Manager on arrival. For those working in standalone training venues, they will be asked to contact with the relevant team press attaché.
